Legal Aid Programs in Missouri

The support of the private bar is vital to the delivery of legal services to our low-income clients in Missouri. Without the support of Missouri lawyers many of our client needs will go unmet, potentially resulting in denials of justice that could have tragic consequences for families in our local communities.

Volunteering with your local legal aid program will save homes, prevent homelessness, protect those who have been abused, assist our veterans, protect the elderly and disabled and prevent the destruction of families. Your donation of time can literally help us change lives.

Please contact the local [legal aid program](#) in your area and assist us in this effort. You will find the experience vastly rewarding!
