About LawHelp.org

LawHelp.org was created for people living on low-incomes and the legal organizations that serve them. LawHelp.org provides referrals to local legal aid and public interest law offices, basic information about legal rights, self-help information, court information, links to social service agencies, and more. Also, LawHelp provides general forms that may be used by the public for accessing the courts. We have included various LawHelp forms that may assist you in Missouri.
