

LAWMO - Urban Homesteading Project

Urban homesteading is a unique opportunity for individuals with construction skills and/or experience in home repair to acquire and rehab homes in poor condition. Eligible properties are truly abandoned and cannot be purchased or otherwise acquired. The houses must be:

1. Vacant for at least six months continuously;
2. Delinquent on taxes for at least two years; and
3. A nuisance (property should have open codes violations).

After identifying an eligible property and discussing it with a Legal Aid attorney, the neighborhood association can bring an Abandoned Housing Act suit. The next step is to find a suitable Urban Homesteader to take on the home rehabilitation.
