

The Missouri Bar Attorney Search

Do You Need an Attorney?

The Missouri Bar has implemented the Use LawyerSearch to find a lawyer currently accepting new clients. *Not all Missouri lawyers are listed in LawyerSearch - only those who have indicated that they would like to be included.* You can search by areas of practice or location (city or county). You will find a list of lawyers who have indicated that they are accepting new clients in various areas of the law. Included in the listing for these lawyers, you will also find office addresses, phone numbers, email addresses and links to their firms' websites (if they have them).

Disclaimer: The purpose of this directory is to provide contact information to individuals looking for an attorney. Inclusion on this list does not constitute an endorsement by The Missouri Bar of particular attorneys.
