Texas legal aid programs are in need of our help! We can help by sending donations to the Texas Access to Justice Foundation - Hurricane Harvey Legal Aid Fund.

***Please read on.***

Legal aid programs in Texas will help to provide the calm *after* the storm. Texans are reeling from Hurricane Harvey. After the storm subsides and the water recedes the exhaustion of survival will be met by the harrowing realization that their journey back to normalcy is only just beginning. The daunting work of putting their lives back together will require interaction with myriad governmental agencies and private businesses in order to interpret their rights to services and financial assistance. At times, it will feel hopeless. After a disaster, Legal Aid helps put lives back together by providing:

- Assistance with securing FEMA and other benefits available to disaster survivors
- Assistance with life, medical and property insurance claims
- Help with home repair contracts and contractors
- Replacing wills and other important legal documents destroyed in the disaster

- Assisting in consumer protection matters, remedies and procedures
- Assisting with mortgage/foreclosure and landlord/tenant problems

The Texas Access to Justice Foundation will use all donations to fund Disaster Legal Aid to survivors of Hurricane Harvey. Please donate to the **Hurricane Harvey Legal Aid Fund** to assist all Texans in need of these essential services.
