

What to do if your Medicaid annual renewal lowers or ends your coverage

On April 1, 2023, the Family Support Division (FSD) restarted annual renewals for Missourians who get MO HealthNet (Medicaid) health coverage. If your annual renewal results in less coverage, FSD will mail you an Adverse Action Notice at least 10 days before they take action to reduce (lower) or terminate (end) your coverage. If you get an Adverse Action Notice in the mail, don't assume FSD is right!
